

# Ukraine: Sanctions against Russia

The sanctions against Russia with regard to the situation in Ukraine, Donetsk, Luhansk, Crimea and Sevastopol are extending more and more. Do you want a short, but complete and precise on the sanctions in place at EU level ?

RespectUs, the export control compliance experts, have set up a dedicated webpage for the EU Russia sanctions.

These include:

## Sanctions regarding trade on goods and technology

- defence-related products
- dual-use goods
- goods originating in Donetsk/Luhansk and Crimea/Sevastopol
- goods for oil refining
- goods for aviation and space industry
- goods for use in oil and gas production

## Financial sanctions

- freezing of funds
- issuance of financial instruments

- trade financing
- deposits
- reserves
- banknotes
- Swift messaging ...

### **Sanctions on services**

- tourism
- aviation
- media broadcasting

The webpage is updated daily, and contains lists of sanctioned persons/entities and products. Have a look.
